

Assignment 1

Managing Conflict Peacefully: Tools and Techniques

Course Code: PCE10030

Marks: 30

Answer the following questions in 500 words each. (Any two)

1. **Analyse a conflict that you have experienced, observed, or read about.** Classify it as interpersonal, intra-group, or inter-group, and justify your choice by explaining its causes with relevant real-life or recent examples.
2. **Evaluate how modern lifestyles contribute to environmental conflicts.** Use recent examples to analyse the impact of resource consumption, pollution, and unsustainable practices on society and the environment.
3. **Assess the environmental condition of Pune by examining any two major environmental challenges.** Evaluate their impact on public health and daily life, supporting your answer with recent examples or evidence.
4. **Evaluate how parental expectations influence the decisions and well-being of young adults.** Analyse a real-life or observed situation and recommend practical strategies for managing family conflicts effectively.
5. **Analyse a workplace conflict from your own, a friend's, or a case from Pune's IT industry.** Evaluate its causes and recommend practical conflict-resolution strategies that could improve teamwork and productivity.
